

## FFA Barn Agreement

This agreement is between \_\_\_\_\_ and the Mount Baker FFA. I understand the responsibilities of raising an animal and will utilize the facilities at Mount Baker High School. The following items must be followed:

1. Feed at least once a day if it is your week or if your pig is isolated. Check the pig daily to make sure the assigned person is being responsible and your success won't be jeopardized. Students keeping a pig in the barn for the first couple of days will be charged \$1.50/day for feed, they also must provide bedding.
2. For market animals: pay for feed by taking the total bill per super sack or bulk feed delivery, divided by the number of pigs in the barn.
3. Make sure water is on and working
4. Clean pen at least twice weekly or more.
5. Purchase bedding to use every time you clean the pen.
6. Report any problems to Mr. Rightmire (cell 961-8556) or Ms. Whitcomb (cell 360-556-1505)
7. Notify Mr. Rightmire when only a sack or two remain.
8. **Write down correct day and time on clipboard when animal was fed.**
9. Throw feed sacks away when empty.
10. Sweep up any mess created
11. Notify Mr. Rightmire when something is not right or if you have a question.

I agree to the terms listed above and understand that any breach of this contract will result in a warning and could lead to animals being hauled home or to the auction barn. Students must keep animal at home during the summer if they have the facility.
