

# Mount Baker Plant Sale

**When:** Thursday & Friday, April 25-26<sup>th</sup> @ 3-6 pm  
Saturday, April 27<sup>th</sup> @ 9 am-1 pm

**Location:** The MBHS Greenhouse (cash and local checks accepted)

All plants that you purchase from this sale are grown by students in the Greenhouse Management classes. The profit from this sale benefits our Mount Baker Student Industries program that helps purchase greenhouse supplies, materials for teaching classes the following year, maintains the greenhouse facility and helps us purchase new items for improving our Agriculture program.

Students take a lot of pride in growing and managing the plants and are as excited to host this event as you are to attend. My students have grown exceptional plants and are "hardened off" to the current temperature outside to ensure they grow successfully when you take them home.

As always this is a first-come, first-serve event, so if there is something in particular that you would like to purchase, please attend the first day of our plant sale. Everyone is welcome to pay for their purchase by cash or local check on the day they pick up their plants. If you would like to see pictures of our plants please check out my recent posts on the Mt. Baker FFA Facebook page.

Tamara Whitcomb  
Mt. Baker Agriculture Instructor / FFA Advisor

**\*\*Plants types and prices are listed on the next page\*\***
