

2019-2020 School Supplies

We are very excited to announce that the Mount Baker School District will provide all basic school supplies for elementary students for the 2019-2020 school year. *The only school supply that elementary students need to bring is a backpack.* Students will receive their school supplies in their classes on the first day of school.

Backpacks that are needed will be given out at **Ice cream Social at all elementary schools on 8/28/19 from 2:30-3:30pm** on a first come first serve basis (JH/HS backpacks can be given out at these locations as well if needed for older students).

We ask that you do not send school supplies with your elementary student. If you would like to donate supplies to the school please contact your child's teacher or Family Services Coordinator for more information about what donations are needed.

The Mount Baker School District is committed to the success of all students. By decreasing the financial burden on our families we hope to meet our mission of providing all students a strong educational foundation upon which they can build their futures as productive citizens of our changing world.
